WINERY

## VISITOR INFORMATION

**In an effort to ensure that all of our guests have an amazing, memorable and comfortable experience when visiting the winery, we respectfully ask that our guests keep the following guidelines in mind:**

**WINE TASTING:** At this time, we are not offering wine tastings or by the glass service. We are currently offering bottle service only.

**PETS:** Due to insurance requirements and the realization that not all of our guests love dogs as much as we do, pets are not permitted.

**OUTSIDE ALCOHOL:** Pursuant to New York State law, no outside alcohol is permitted on any part of the winery grounds. We reserve the right to inspect all bags of any person on winery grounds to effectuate compliance with the law.

**OUTSIDE FOOD AND BEVERAGE:** As we have a selection of local cheese, charcuterie, breads and other sweet and savory snacks and beverages for guests to purchase, outside food and drinks are not permitted.

**LIMOUSINES AND BUSES:** Limousines, buses and vans are not permitted.

**CHILDREN:** Due to capacity restrictions, no one under 21 is allowed in the winery at this time.

**USE OF THE PREMISES AND BEACH ACCESS:** Throwing or tossing of any athletic equipment or toys (including, but not limited to, balls, kites, Frisbees, etc.) is not permitted. Additionally, folding chairs, umbrellas, blankets, tents, coolers or music are not permitted. Unfortunately, there is no beach access from the winery grounds.

**PROFESSIONAL PHOTOGRAPHY:** Professional photography, film or video shoots are not permitted unless pre-approved and scheduled in advance by winery management. Site fees and insurance requirements will apply.

**PRIVATE PROPERTY:** Kindly note that Kontokosta Winery is private property and access and use of the winery grounds is for patrons only. As such, we reserve the right to refuse service and/or remove persons who are disruptive, disorderly or otherwise negatively affecting the experience of another guest or staff member.

*Thank you for planning a visit to Kontokosta Winery. We are excited and grateful to have the opportunity to share our beautiful, award-winning wines and our spectacular waterfront winery with you.*
